

## **Devizes to Westminster International Canoe Race 2019**

### **STATEMENT**

**London, 22 April 2019**

The directors of the Devizes to Westminster canoe race are deeply saddened to report that an incident occurred in the final stages of this year's race in which a paddler lost their life.

We are cooperating with the relevant authorities in investigating the incident fully.

Our thoughts and condolences are with the family and friends of the paddler and we would like to ask that their privacy is respected at this time.
